Welcome

On behalf of the sale group, I would like to welcome everyone to our 2nd Ladies of the Fall Elite Female Sale on October 5th. A huge thank you to River Hill Farm and Colgan's Cattle Co., for joining forces with all of us at Codiak Acres to make this sale one of the best and largest selections of Speckle Park genetics anywhere. We have reached deep into our herds to select cattle backed by breed-leading sires and prominent cow families.

Many of the cows selling have been donors for us and have produced many top herd bulls and females for us and other Speckle Park operations around the globe. The bred heifers are from the heart of the replacement pen. We feel there is a great opportunity to find a true foundation female for your operation that will be the centerpiece of your genetics moving forward.

As a special feature this year, we are offering exclusive semen on two unique sires imported from Australia and New Zealand.

Preg checking had not been entirely completed prior to this catalogue going to print. Please inquire about specific lots you are interested in regarding breeding information.

The cattle will be on display Friday, October 4th. Sale starts at 11:00 a.m. on Saturday, October 5th. Come early for brunch with Mimosas.

Regards,

Gary Kiziak

If you're after a SURE-THING... 49F might be as close as you can find. Her dam, 1X, was an outstanding producer for Codiak. She was purchased by Colesdale Farms, Ontario at the Ladies Sale last year. Her sire, Putnam 61Y is arguably one of the most influential sires in the breed. This is a heifer that is phenotypically flawless and backs it up with a pedigree full of great ones!

TERMS & CONDITIONS

The terms of the sale are cash or cheque payable sale day, October 5, 2019, in Canadian Dollars. All settlements must be made with the sale clerk before the animals will be released, unless there has been an agreement made between the seller and purchaser prior to the sale.

DISPUTES

In case of disputes the bidding will be reopened between the parties. If there are no further bids, the buyer will be the person the auctioneer accepted the last bid from. The auctioneer's decision in such matters will be final.

INSURANCE

Each animal becomes the risk of the purchaser at the time of sale. If the animals are not taken home by the new owner sale day, arrangements must be made with the seller on October 5, 2019 for delivery. Animals returning to the seller's farm must be insured.

HEALTH GUARANTEES

All females are guaranteed breeders and in good breeding condition. Each animal becomes the responsibility of the purchaser as soon as sold.

DELIVERY

We will assist in arranging delivery as quickly as possible after the sale. Many reliable truckers are based in the Edmonton area. All deliveries are the purchaser's risk. We recommend that you insure all purchases.

LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for accidents that occur.

ANNOUNCEMENTS

All announcements made from the auctioneer's stand take priority over printed or catalogued material.

U.S. BUYERS

All females that sell are guaranteed exportable to the US. Export costs are the responsibility of the purchaser. The rate of exchange will be announced sale day from the block. The closest international airport is Edmonton, Alberta.

EMBRYO & SEMEN LOTS

Proper settlement must be made in order for embryos/semen to be released. Shipping arrangements and costs are

the responsibility of the buyer. Contact the consignor directly within 30 days of the sale to make shipping arrangements. Consignors cannot be expected to store embryos/semen for you longer than 30 days unless you have personally made arrangements with them.

Embryo guarantees are between buyer and consignor. Contact the seller directly to inquire. If a guarantee is offered by the consignor, embryos must be implanted within one year of this sale.

ON LINE BIDDING

Visit www.dlms.ca, fill out the registration form by clicking "register" and create your free user account by selecting a username and password. BIDDERS - After you have created an account, log in and click BUYER APPROVAL tab, select the sale name and SIGN UP to be approved for bidding. For more information or for help getting approved call: Mark Shologan via email mark@dlms.ca or call (780) 699-5082.

PHONE BIDS

To bid by phone and pre-register as a buyer, contact any Sales Representative listed on page 2 of the catalogue.

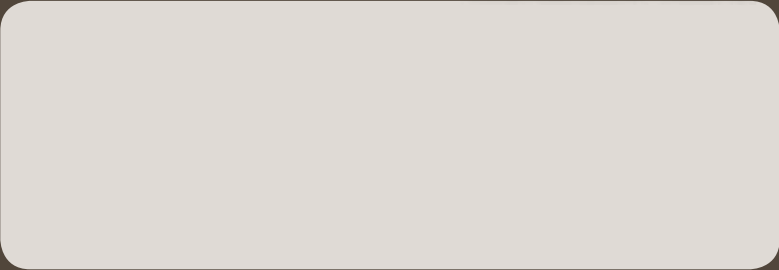

GENETIC TESTING

Please contact the consignors regarding their respective lots if you are interested in test results for genetic markers.
